PURIFIED WATER Nature's purest ingredient, purified H2O makes up 86% of this gentle shave formula.

PLANT CELLULOSE Derived from cotton, our plant cellulose serves as a natural vegan friendly, gluten free thickening agent.

CETYL & STEARYL PALMITATE Both of these waxy alcohols are derived from coconut oil, and act to soften your body hair.

MANGO & SHEA BUTTERS These naturally occurring butters are excellent skin conditioners, which will leave your skin silky soft.

CETRIMONIUM SALTS stop the build up of static electricity, making your hair smooth and soft.

ALOE, GREEN TEA & HIBISCUS are added as restorative and healing emollients, restoring elasticity to the skin.

CITRIC ACID (Citrus Fruits) is used as a natural antiseptic/astringent cleanser and preservative. It is combined with the smallest amount of Potassium Sorbate, which is a natural preservative that also works as an antifungal. The combination of these two keeps unwanted bacteria and mold away, and extends the shelf life, making this a safer product for women.
