OUR NATURAL NUT & SEED BASED SENSUAL MASSAGE OILS

Offering women a healthier choice, these natural nut & seed based massage oils have been blended with organic botanical extracts that heal & support the body. Each blend is infused with perfectly balanced scents, designed to align your mind, body and spirit. Rejuvenation is a crisp Mandarin Basil scent, designed to refresh and invigorate. Tranquility's soothing Coconut Lime Verbena scent will relax and calm you, while Serenity's sultry Tahitian Vanilla is sure to turn up the heat.

SWEET ALMOND OIL is the base oil used in all Balance Collection massage products. This oil is known to have a luxurious, soft texture and is preferred by many massage therapists worldwide.

NATURAL NUT & SEED OILS including Coconut Oil, Grape Seed Oil, Sunflower Seed Oil, and Macadamia Nut Oil are used to create a ultra luxurious formula for the most sensual massage ever. Each oil is specifically chosen for its glide, texture, and aroma, which adds to the therapeutic scents chosen for each blend.

MANGO AND SHEA BUTTERS are excellent skin conditioners, and will leave your skin silky soft.

ALOE BARBADENSIS (Aloe Vera) & HIBISCUS are plant derived extracts, and both help heal, moisturize and soothe the skin.

FLAX AND GREEN TEA are added as restorative and healing emollients, restoring elasticity to the skin.
