

PURIFIED WATER - Nature's purest ingredient, purified H2O makes up 96% of this glide.

PLANT CELLULOSE - Derived from cotton, our plant cellulose serves as a natural, vegan friendly & gluten free thickening agent that gives Sliquid it's glide.

CYAMOPSIS - Otherwise known as Guar conditioners, Cyamopsis is a natural product derived from the Guar bean that conditions the Plant Cellulose and helps thicken the formula.

POTASSIUM SORBATE / SODIUM BENZOATE- These two ingredients are the most gentle, body safe, non-toxic, non-irritating preservatives used to extend shelf life and prevent contamination.

CITRIC ACID - Citric acid has natural anti-fungal properties, and is used in Sliquid formulas as a pH buffer to dial in the perfect pH for your body.

Important: Do not use if safety seal is broken/missing. Should any irritation occur, discontinue use at once. Keep out of children's reach.

Sliquid Naturals H₂O

Naturals H2O is a water based intimate lubricant, and is Sliquid's Original Formula and our most simple. H2O is formulated to emulate the thickness and viscosity of your body's own natural moisture. Sliquid Naturals H2O blends purified water and plant cellulose, derived from cotton, to create its slick texture, and is the most ideal formula for women with sensitivities. Sliquid Naturals H2O, like all Sliquid products, does not contain any parabens, DEA, or sulfates, and is 100% vegan friendly. Naturals H2O is perfect for use with all types of toys, and safe for all intimate activities.

*Created by sensitive women,
For sensible women.*
